TOURTELOT CLEANUP PROJECT

This Remedial Investigation/Feasibility Study report was prepared under the overall guidance of Peter Russell, Ph.D., P.E., and Ted Splitter, P.E., G.E., both of Northgate Environmental Management, Inc. The Remedial Investigation portion of the report, with the exception of the screening-level Health Risk Assessment, was prepared under the direction of Sandra Cuttino, P.E., and William Muir, R.G., of Earth Tech, Inc. The Non-Ordinance Screening Health Risk Assessment portion of the report was prepared under the direction of Renee Kalmes, C.I.H., of Exponent. The Feasibility Study portion of the report was performed under the direction of Alan Leavitt, P.E., of Northgate Environmental Management, Inc.
